In preparation for the children going to school there will be a change in the lunchtime routine. Children will now have 30 minutes to eat their lunch and then a 3 minute warning before lunchtime is finished and all food is packed away. All children will then have outside play (weather permitting); unless the children are unwell.

Illness

We have had a number of illnesses going around: conjunctivitis, high temperatures, coughs, colds and vomiting which appears to be part of a viral infection.

Please be aware that 48 hours need to have elapsed from any vomiting before children can return to Pre School.

**Happy Birthday to:
Harry**

Can we remind parents and carers that the Pre School and the School sites are both no smoking areas.

Can we remind parents that the School Car Park must not be used when dropping off or collecting at any time of day. Your support in this would be appreciated.

Please can you ensure your child's safety by not allowing them to run around in the School Car Park.

This year World Book Day is on Thursday 5th March and to celebrate we would like the children to dress up as their favourite book character.

At present snacks are limited due to a lack of monetary donations. The donations pot is by the door if you would like to make a contribution to the children's snack fund.

Dates for you Diary

16th – 20th February: Half Term Week

5th March: World Book Day

We are looking for an old typewriter for the children to play with if anyone has one they would like to donate.
