## Staffing

As you all know Catarina will be leaving Little Acorns at the end of November. We are all extremely sad to see her go but wish her the best of luck on her new adventure.

Di and Dani will be taking over Catarina group for now and we will be interviewing for a temporary member of staff shortly with the hope for someone to start in January.

We will keep you posted when we have appointed someone.

With winter arriving just a reminder regarding our policy on calpol and or ibuprofen.

If your child is unwell and you feel they need calpol or ibuprofen, then please keep them at home. These can mask illness and temperatures.

In the event that your child has sickness or diarrhoea they will need to be off from Pre-School for 48 hours after the last bout of sickness or diarrhoea.

Also, please if your child or any one in your household shows any of the covid symptoms then you need to isolate and book a test.

Please let us know as soon as possible if you have to isolate.

**Please let us know if  
your child will not be  
at Pre-School for any  
reason.**

**We can be contacted  
by telephone, text  
message or email.**

We will still be having the doors and windows open in Pre-School to follow the government guidance throughout the winter months. With this in mind could we ask that you add layers to your child clothing or in their bag of spare clothes that they need to bring with them every day. We do have the heating on, but we want to make sure that none of the children are cold.

Please remember coats and hats as well.
