Drop off and collection

We will use the side garden gate for 9am & 3pm Drop off and collections.

Could you please queue socially distanced at the side of Pre-School there will be cones to indicate where to stand.

The gate will be opened at 9am and a member of staff will help the children inside to wash their hands.

Our Lady's Primary school have asked that all their parents wear a face covering while on the school site while dropping off and collecting. As we share the site we feel that we should follow the procedures the school have set out. So we recommend wearing a face covering unless exempt during drop off and pick up times.

We understand that the constant changes can be frustrating but we are doing our very best to keep all Children, families and staff safe.

If you have any question please feel free to get in touch with Di or Kelly
